

Hepatitis B Vaccination

During the course of your employment with the City, you can reasonably anticipate exposure to blood or other potentially infectious diseases and may be at risk of acquiring Hepatitis B virus (HBV) infection. To protect your health the City offers to you a free vaccination for Hepatitis B virus at anytime and upon your request.

Take the time to review the vaccine facts on the Center for Disease Control webpage:
<http://www.cdc.gov/hepatitis/ChooseB.htm>.

You may accept or decline this free vaccination.

Acceptance of the Hepatitis B Vaccination

- + I understand that due to my occupational exposure to blood or other potentially infectious diseases, I may be at risk of acquiring the Hepatitis B virus (HBV) infection.
- + I have been given the opportunity to be vaccinated against the Hepatitis B virus at no charge to me.
- + I understand that I am responsible for contacting Kaiser Permanente to schedule and keep my appointment to receive the Hepatitis B vaccination.

Kaiser Permanente, 3900 Lakeville Highway, Petaluma CA 94954, 707.765.3800
