If more than three persons wish to speak, their time will be allotted so that the total amount of time allocated to this agenda item will be 15 minutes.

Jack Balshaw – LOS for bikes/peds in plan? {nope}

Bob – Voiced his concern about bicyclists riding on the sidewalk. He walks everywhere and is constantly encountering bikes on the sidewalks. He feels that the Police are more concerned about bicyclists and pedestrians are secondary. The sidewalk is the pedestrian domain and bikes need to yield to peds. He wants to raise the consciousness in this town before someone gets hurt. {Tom will follow up}
