

FIRE DEPARTMENT
CITY OF PETALUMA, CALIFORNIA

NOTICE

The discharge of all types of fireworks in the Very High Fire Hazard Severity Zone (VHFHSZ) is prohibited. The propensity for higher fire danger is likely in this area if fireworks are discharged. If you live in the shaded areas illustrated on the map – no fireworks will be allowed to be used or discharged upon any property, public or private (including streets).

Contact the Fire Marshal's Office 778-4389 if you have questions
