RECORDS INFORMATION:

The Petaluma Fire Department is the Certified Unified Program Agency (CUPA) for the City of Petaluma and typically maintains files and records that may be used for Environmental Site Assessments. City staff will pull matching files and may request clarifying information that could help identify the records sought. Within ten (10) days of receipt of a request, City staff will determine whether the request seeks non-exempt records or parts of records in the City's possession and inform the requester. In some circumstances, the City may have up to an additional fourteen (14) days to make its determination upon proper notice to the requester. The City will inform requesters of the time and date when non-exempt records or parts of records will be made available. (California Government Code sections 6253, 6253.1.)
