## PLAYING RULES AND REGULATIONS

A.S.A. rules govern play with the exception of Petaluma House Rules

### HOUSE RULES

- No batting practice is allowed in field of play
- No playing soft toss near or against any fences or backstops.
- Dugouts will be assigned on a first come – first served basis.
- Lineup cards must have first & last names and must be turned into scorekeeper 10 min. prior to game time.
- Infield practice is only allowed if more than 10 minutes remain before the next game time, after field prep or previous game has finished. Each team is allowed equal time for infield practice.
- Teams must have 8 players in order to start or continue a game or they will forfeit game.
- There will be no automatic outs for teams playing shorthanded. There is no automatic out for spaces left in the lineup due to ejected players.
- **Game time is forfeit time.** If a team is not ready to take the field at umpire's request, a forfeit shall be declared.
- Umpires are not able to answer questions regarding City policies. Any questions should be directed to the Recreation Supervisor.
- Co-Rec and Over-40 leagues will have one umpire assigned to games.
- Two umpires will be assigned for all Men's league games (except over 40 leagues).
- If there is only one umpire (when two are assigned), the game will still be played and be considered official.
- All games will have a 70 minute time limit. **If there is any time remaining in the 70 minutes the inning will be started. Once an inning starts it will be completed unless the home team is at bat and leading at the time of expiration.**
- The tie breaker rule will be invoked for all extra inning games: the last batter due up (not always the last out) will start at second base. All ties will be played out at all fields.
- Any inning after the time limit expires is considered an extra inning. There is no 'mercy' rule (ie: 12 run rule)
- A team may bat all its roster players. Any player who plays defense must be in the batting lineup.
- Players arriving late may join the game, without delay, at any time. These players must be added to the end of the batting order.
- Defensive positions may be substituted freely as long as the lineup remains the same. The extra hitter(s) do(es) not have to play defense.
- Courtesy runners are allowed once per inning. The replacement runner should be the last recorded out. If the courtesy runner has been used (in any given inning) and the player must vacate a base, an out will be called.
  - Pitching height limits are as follows: 6 foot minimum and 12 foot maximum.

### ADDITIONAL CO-REC RULES

- There must be two men and two women in both the infield and the outfield, and one man and one woman as pitcher/or catcher until the ball is hit.
- There can never be more men than women on the field.
- If a team is playing shorthanded other than pitcher and catcher a male and female may play other defensive positions as they choose.
- **MEN CAN ONLY USE WOOD SOFTBALL BATS.**
- Batting order must alternate between sexes whenever possible. Men may never bat consecutively.
- A team may only bat as many men as there are women in the lineup.
- Any walk to a male batter will result in a two base award. The next batter (female) will bat. Exception: with two outs a female has the option to bat or walk.
- If a female's departure from the game or a late arriving male leaves two consecutive male batters, there will be an automatic out between male batters.
- Courtesy runners for Co-Rec games must be the same sex as the runner being replaced.
