- **Have you ever been convicted of an offense?**  Yes  No  
Please do not include traffic citations, arrests that did not result in convictions, any offenses which resulted in referral to or participation in any pretrial or post trial diversion programs, convictions which have been expunged under Penal Code section 1203.4, or convictions for violations of Healthy & Safety Code section 11357 (b) or (c), section 11360 (c), 11364, 11365, 11550 (pertaining to certain marijuana offenses) which occurred more than two years before the date of this application.  
  
If YES, please explain fully on a separate sheet. Each case is considered individually. A conviction will not necessarily preclude you from contract employment; however failure to disclose felony or misdemeanor convictions can disqualify you. Contractors are fingerprinted and responses verified with the State of California Department of Justice.  
  
The City of Petaluma will not deny a contract to any proposer solely because the person has been convicted of a crime. The City, however, may consider the nature, date and circumstance of the offense as well as whether the offense is relevant to the proposal.
