

# Petaluma Police Department Bike Donation Project

## (RE)CYCLING WHEELS BACK INTO THE COMMUNITY

We clean, fix and deliver “unclaimed” stolen bikes to non-profit organizations in Sonoma County that serve youth and low-income citizens. So far, we have donated over 36 bikes to Petaluma People’s Services, Mentor Me Petaluma and The Children’s Village. COTS and Sonoma Advocates for Youth are scheduled to receive bikes in the upcoming months. Our goal is to recycle these bikes to enrich the lives of citizens who can benefit most.

To make a contribution or learn more about our bike donation program, please contact Jennifer Pritchard, Volunteer Coordinator Petaluma Police Department at 707-778-4458 or via email at [jpritchard@ci.petaluma.ca.us](mailto:jpritchard@ci.petaluma.ca.us).
