RE: **Project Name: Petaluma Boulevard North Bike Lane Project (C00200108)**

Plans and contract documents are available for the above project. The work to be done consists in general of, but not limited to, the following:

Clearing and grubbing of project limits including tree removal and pruning; removal of existing drainage facilities; widening of road to allow addition of bike lanes; placement of aggregate base, asphalt concrete and shoulder backing material; modification of existing traffic signals; cold planning; traffic striping; and other work shown on the plans or specified in the specifications.

A type "A" California State Contractor's license is required.

Sets of plans and contract documents are available for fifty dollars (\$50.00) per set (non-refundable) at the offices of the City of Petaluma Public Works Department, 11 English Street, Petaluma, CA 94952. You can also download the plans and specifications for free on the City's website, <http://cityofpetaluma.net/pubworks/bidding-opportunities.html>. If you prefer to download the documents for free, please note the **mandatory requirements** listed on the page in order to be an official bidder. If you have any questions on downloading documents or acquiring a hard copy, please call Shelly Kappel at 707-778-4483.
