

Lynch Creek Trail Project
Project Number C62101001

Project Description

This project will consist, in general, of construction for a new concrete trail/pathway along Lynch Creek from McDowell Boulevard North to Sonoma Mountain Parkway. The proposed trail will follow the same alignment of the existing foot path where feasible.

Project Status:

Anticipated to begin construction in late August 2011 and complete in mid-November.

Traffic

The existing foot path/trail will be completely closed to the public during the duration of construction.

Contractor

Ghilotti Construction Co.
